This once-in-a-lifetime course will make the spectacular six-day descent of Cataract Canyon through Canyonlands National Park. On this trip students will learn or sharpen their river skills while rafting 100 miles of the Colorado River through Canyonlands National Park. The remote canyons reach heights of up to 2,000 ft. above the river and provide incredible scenery, wildlife, and solitude. The green River joins in with the Colorado, adding turbulence to the river and provides class III-IV rapids.Class IV rapids will be guided by instructors. This class will focus on learning to set up, organize, and guide multi-day river trips as well as understanding ecological functions of river corridors and riparian areas, leave no trace principles, and ethics. Students will discover the area's rich Native American history while observing ancient ruins and learn about geology as we travel through time into the desert canyons. There is a mandatory pre-trip meeting on 8/7 (6p-8p), and the overnight field trip runs 8/8-8/13. The non-refundable supplemental fee includes transportation, group equipment, food, and access fee.

This introductory course is designed to give teachers a chance to pick up some valuable Spanish skills without giving up their summer plans. The class will meet daily for five hours a day, creating an immersive learning environment. We will focus on useful vocabulary that will help teacher-student and parent-teacher communication, basic grammar structure, present and past tense, as well as some common idioms and useful classroom vocabulary. We will also be taking a field trip in the valley. Level II of the same course will begin after the end of this course. For questions about which level is right for you, contact Meredith at 970-309-9984.

This class includes an overview of permaculture principles plus hands-on time working with living permaculture systems throughout the Roaring Fork Valley at Sustainable Settings, CRMPI, Aspen TREE, Basalt Food Forest, Rock Bottom Ranch & more. Students will apply permaculture techniques to design their own system; suitable farming or gardening sites will be provided if students do not have their own space to design. This 45-hour class is open to community members and can also be applied toward CMC's Bachelor of Arts degree in Sustainability Studies and/or the Sustainability Leadership Certificate. Class meets from 8a-3p, 6/2 & 6/3, 6/8-6/10, and 6/15-6/17, including some classroom time at our Carbondale campus and field trips to locations in the valley. Class dates have been coordinated with SUS-321-GW01 (Leadership, Ethics & Social Responsibility) and the non-credit "Know Your Farmer Series" so students can take all classes without conflicts. For questions about the class, contact Adrian Fielder at 970-947-8246.

This course provides academic credit for time spent working at sustainability organizations, and is open only to students seeking a Sustainability Leadership Certificate or a Bachelor of Arts in Sustainability Studies. CMC can help students find a host organization that matches their interests and that provides on-the-job training in a sustainability field that matches career goals. Depending on student goals and those of the host organization, this course can count for 1-6 credits (45 hours per credit). Schedules will be determined individually based upon student availability and the needs of the organization, and students will have periodic check-ins with the CMC internship coordinator. For more information, contact Adrian Fielder at 947-8246 or afielder@coloradomtn.edu.

GET STARTED

There are several ways to sign up for classes at Colorado Mountain College. Read this section for detailed information on advising, placement testing, and registering for classes.

ACCUPLACER TESTING

It's important to us that you're in the right class. Many courses require placement testing prior to enrollment. Accuplacer quickly assesses students over the internet in the skill areas of Reading, Writing and Math to determine proper placement into college level courses. Students can utilize online resources for preparation and then schedule a test time by calling the front office at any CMC location.

To view the Testing Calendar:

1. Go to **www.coloradomtn.edu**
2. Click on the link Admissions tab
3. Click on Placement Testing
4. Click on Accuplacer Schedule Calender
