GETTING STARTED
Colorado Mountain College offers four registration options, depending on your admissions status.

**online** Registration for current degree-seeking students:
http://basecamp.coloradomtn.edu

Registration for all other students:
www.coloradomtn.edu/register

**phone**
- Leadville 719.486.2015
- Buena Vista 719.395.8419
- Salida 719.395.8419

**in person** See office hours and location on next page.

ACCUPLACER TESTING
New degree seeking students are required to take placement tests, or provide ACT or SAT scores meeting the minimum requirements, prior to registering. If transferring from another institution, certain classes may exempt you from taking placement tests. Be sure to request your official transcripts be sent to CMC at least 8 weeks prior to the start of the semester.

Link below for more information and the testing schedule.

**DROPS & REFUNDS**
To drop a class, students must fill out a Class Add/Drop form and submit it to the campus or login to WebAdvisor and drop online. To receive a refund, make sure the class is dropped by the listed refund date in this publication or on website. Students that drop classes after the refund date will not receive a refund.

**DISABILITY SERVICES**
CMC is committed to providing access to everyone with the ability to benefit from a program of higher education. Individuals seeking disability accommodations should contact the disabilities coordinator at 719.486.4203.

**ACADEMIC ADVISING**
All students are strongly encouraged to make an appointment with their college counselor.

**TEXTBOOKS**
Books must be ordered in advance, so order soon! You may purchase textbooks for the spring semester from Follett, CMC’s book vendor. Order by phone at 1-800-621-4088 or online by linking below.

**On the cover . . . .**
Natural Resource Management students Brittany Le Tendre and Tom Schoonover test water samples in the Timberline Analytical Lab.

**Avalanche Science Program launched at CMC Leadville**

The first year of the new Avalanche Science Program is underway. This snow safety program is the first of its kind in the nation. In partnership with the Colorado Avalanche Information Center, the curriculum was developed by highly-regarded industry experts.

This two-year program offers a flexible schedule. Students are on-campus for intensive sessions three times per year. The rest of the course work is completed via live web meetings and independently online.

Completers of the program receive a Snow, Weather, and Avalanche Field Technician certificate, providing the skills needed to succeed in the snow safety industry.

If you are interested in launching or advancing your career as an avalanche worker or snow safety employee, visit our website for more information.
