

Guidelines for the Admission of International Students

Colorado Mountain College is authorized by the U.S. Immigration and naturalization service to admit non-immigrant students to instructional programs at our three residential campuses: Leadville, Spring Valley near Glenwood Springs, Steamboat Springs, and one commuter campus: Edwards (no on-campus student housing in Edwards). International students who wish to enroll must be a high school graduate or have earned the equivalency and are required to submit the following documents:

REQUIRED DOCUMENTS

- 1. AN INTERNATIONAL APPLICATION FOR ADMISSION** to Colorado Mountain College and all supporting materials, outlined in items 2-4, must be completed and returned to Colorado Mountain College no later than May 1 for fall entrance or October 1 for spring entrance.
- 2. Official transcripts** of all studies taken from a college/university are required. If records are in a language other than English, they must be accompanied by a certified English translation. Certificates should include the grades received, the maximum grades obtainable, and minimum grades acceptable. For more information and an Application for Evaluation of Foreign Educational Credentials go to www.edperspective.org or call 312-421-9300. The type of evaluation report required by Colorado Mountain College must be a "Catalog Match". An "official" report must be mailed directly from Educational Perspectives to Colorado Mountain College.
- 3. Proof of English Language Proficiency.** If your native language is other than English, you must provide evidence of your English language proficiency through one of the following methods: Test of English as a Foreign Language (TOEFL)--61 or higher on the iBT, or 500 or higher on the written test, Michigan Test of English language Proficiency--80 or higher, the International English Language Testing Service (IELTS) test--minimum score of 6.5, with no band below a 6, or advanced level completion documents from one of several Language Schools in the USA. Since Colorado Mountain College does not offer an intensive course/program in English as a Second Language for F-1 students, all students must have proof of English proficiency prior to acceptance to be issued an I-20.
- 4. Financial Certification** verifying resources to provide for the student's stay in the U.S.A. for one year. In addition to certifying available finances, students must show proof of private health insurance, or be required to purchase a private insurance policy. Connect for Health Colorado may be reached at 1-855-752-6749 or visit www.connectforhealthco.com, which is mandatory for F-1 students. To verify funding, please use the enclosed financial certification form. Some sponsors may also need to fill out INS form I-134. If form I-134 must be completed, the Office of Admissions will notify applicants upon application. A bank statement, signed by a bank official certifying the U.S. dollar amount and verifying the funds are available for use by the student or sponsor, must be included.
- 5. A clear copy of your current official passport** with your picture and name clearly visible. Note that you should insure your passport is valid for at least six months from the time you will enter the U.S.
- 6. Signed checklist**, verifying that you understand what other documentation you are required to provide in person, once you arrive at Colorado Mountain College.

IMPORTANT INFORMATION

Items 1 through 4 above must be received for review by the deadline dates listed above. Following the review, Colorado Mountain College will determine if an I-20 form can be issued. The I-20 is needed by the applicant to obtain a visa from the U.S. Embassy or to transfer from another school in the United States.

Tuition and fees are the same as those for out-of-state residents. FINANCIAL AID SUPPORT FOR INTERNATIONAL STUDENTS IS VERY LIMITED AT CMC. It is strongly recommended that international students live in on-campus housing, as off-campus housing is difficult to obtain. Housing information will be mailed with letters of acceptance or upon request.

ADDITIONAL NOTES FOR TRANSFER STUDENTS

Current F-1 students at other U.S. institutions wishing to transfer into CMC should submit the following documents in addition to the International Application for Admission:

- Copy of current I-20
- Transfer Request Form: International students transferring into CMC must submit the current "F-1 Request for Transfer to CMC" form. Note that part of this request for transfer must be completed by the school the student is transferring from.
- Official academic transcripts from any U.S. colleges or universities attended, in addition to translated transcripts of any foreign institutions attended (must be "course match" translation.)
